DITELLIBRATE MOTE: POLISH COPPESSOURING MIPS SOVET-CUBIN DIFFERENCES The most explicit public comment on Soviet-Suban differences to appear

thur far was contained-in a disputon to barsaw yesterday from the Havona correspondent of the Polish news agency (PAP).

Value of Breeident Kennedy a legurances. Citing as his source circles" in Havana; the PAP reporter stated that because of a resolved Soviet - . Cuban differences of opinion no final communique was issued to mark the end ofthe Mikeyan talks. He agreement was reached on the question of US guarantees, with the Soviets taking the view that the President's word should be believed and the Crosms arguing that his guarantees are "vorthless." The "political

about the possibility of coexistence with the IB - a statement which without saying so explicitly suggests that the Cubens may be siding with the Chinese Communists on some fundamental questions.

circles suggest that the root of the difference is a difference of opinion

Indications for Verotistions. If these Soviet-Cuben differences are so sharp and deeply rooted, it would appear milkely that Moseow expects to resolve all of the leaves now on the table in New York.

The Soriets would thus hope to leave the Cubens free to advocate their

Live points, and the Seviets would be free to support them at least ve

ittempt to postray the US desurance - as Soviet
